

Sunscreen Application

The weather has changed and during warmer temperatures we always want to protect the children from the sun. The health department suggested that the best protection from the sun is to wear long sleeves and pants while outdoors. However, when temperatures are extreme, long sleeves and pants may not be practical. In accordance with the Centers for Disease Control and Prevention (CDC), it is our policy at the Child Development Center is to apply sunscreen with SPF 15 or higher. We now using Banana Boat OCN Kids Simply Protect Lotion SPF 50+ (see attached data sheet).

According to the United States Food and Drug Administration, sunscreen has been ruled as an over the counter drug product, which requires parent approval. If you would like the staff to apply sunscreen to your child, please sign the attached **Parent Consent for Administration of Medications and Medication Chart**. A record of application will be maintained in your Family Data File. Sunscreen will be applied after nap time, 15 minutes before the children go outdoors. It is the parent's responsibility to apply sunscreen in the morning. If you would like to use another brand of sunscreen, please bring it in and we will label it with your child's name and apply it accordance with the label directions.

Date: _____

Child's Name: _____

Name of Sunscreen and SPF #: _____

Please apply sunscreen to your child every morning before drop off. As needed throughout the day, your child's care provider will assist with applying sunscreen to bare surfaces including the face, tops of ears and bare shoulders, arms, legs, and feet 15-30 min before outdoor activity. Sunscreen will not be applied to any broken skin or if a skin reaction has been observed. Any skin reaction observed by staff will be reported promptly to the parent/guardian.

Parent Signature

Special Instructions:

I do not want my child to use any sunscreen other than the one that she/he brings.

In the event that my child's sunscreen is not readily available, my child may use the sunscreen provided by the school.
